

ABCD Asset Based Community Development DVD Order Form

The Building Belonging DVD is designed to assist groups of agency workers, congregations and community members to discover what is life-giving for older people. Ted Smeaton introduces ideas of Asset Based Community Development ABCD and starts a conversation about how to include older people in the community.

This interactive DVD is divided into five easy to use sessions and an introductory session

We wish you all the best on your journey into ABCD and hope that this DVD and workbook provides you with additional tools to help create more inclusive communities for older Australians.
